

BUSINESS VALUATION. RE-IMAGINED.

Expert-Reviewed | Investor-Ready | Delivered in Days, Not Weeks

Clybourne blends cutting-edge algorithms with global financial intelligence to deliver fast, accurate, and reliable business valuations. Whether you're raising funds, preparing for M&A, or navigating strategic decisions — we equip you with data-backed clarity to move forward confidently.

WHAT MAKES CLYBOURNE DIFFERENT?

Smart, Multi-Method Valuation

- Discounted Cash Flow (DCF)
- Comparable Company Analysis

Intelligent, Intuitive Dashboard

- Quick inputs for financials & forecasts
- Guided prompts to ensure data accuracy

Live Market Intelligence

- Real-time industry multiples, betas & risk-free rates
- Analyst-tuned assumptions for accuracy

Investor-Ready Reports

- Clean, professional PDFs with visuals, insights & scenario modeling
- Ideal for VCs, banks, boards, and internal stakeholders

Dynamic Scenario Testing

- Adjust key variables (growth, margins, discount rate)
- Instantly see how your valuation shifts

Private & Secure

- GDPR-compliant
- End-to-end encryption to keep your data safe

WHO IS IT FOR?

- **Startups** – Justify your valuation before fundraising
- **SMEs** – Plan growth, apply for loans, or prep for M&A
- **Corporates** – Ensure compliance for ESOPs, buybacks & audits
- **Investors & Advisors** – Evaluate deals quickly with confidence

HOW IT WORKS – IN 5 SIMPLE STEPS

- **Sign Up** – Pick a plan that fits your need
- **Input Data** – Enter business info & projections
- **We Analyze** – Our experts fine-tune market assumptions
- **You Receive** – Get your detailed report in 48 hours
- **Refine If Needed** – One free revision within 48 hours

WHY CHOOSE CLYBOURNE?

Speed Meets Accuracy

From login to report – all in just days

Transparency Built In

Clear breakdowns of every method & assumption

Institutional-Quality, Startup Pricing

Pay a fraction, get insights that punch above your weight

Expert Oversight

Each valuation is algorithm-driven and expert-reviewed
